## Sunny-Crest Girls' School Deserve Support

THE BLUEBIRD TAG-DAY IS  
HERE AGAIN SATURDAY

Saturday is the day when a Holland institution is asking for aid. There are many drives from time to time for meritorious causes outside of Holland, but Saturday the Sunny-Crest school for girls will ask its own community for aid. The citizens of Holland always stand nobly by all benevolent causes and it surely will when its own ask for assistance.

In spite of the many struggles in recent years the women at the head of Sunny-Crest have been able to make a gratifying showing, helping many unfortunate girls to their place in the community and wholesome womanhood. The beautiful home west of the city is surrounded by environments that cannot help but have a wonderful influence upon the youngsters who have not had the opportunity in life that our children have.

The women of Holland are backing this cause to the fullest extent. There are more than a score of needy girls, many of them parentless who are being taught what life really means. They are given lessons in the home vocations necessary in this life and they constantly feel the influence as derived by the most strict religious training in a Christian community.

Saturday on the principal streets, in banks and public places, young ladies will be found and also young men who will distribute these bluebird tags. Each person giving a coin will receive a little tag with the picture of a bluebird on one side and on the other the words, "Thank You," Sunny-Crest School for Girls, Holland, Mich." Similar tags are being used in all cities in the state where annual tag days are held for this purpose.

Tag day headquarters have been established in the Warm Friend Tavern, from which the campaign will be conducted. A tag day committee of eight has been appointed. The members are: Mrs. A. H. Landwehr, Mrs. G. J. Diekema, Mrs. C. H. McBride, Mrs. Con De Pree, Miss Mable Anthony, Miss Lucille Mulder, Mrs. John Vaupell, and Mrs. D. B. K. Van Raalte.

While many volunteers have been secured, many more will be asked to help.

### BLUE TAG-DAY PRIZES

Prizes will be awarded by the Sunny-Crest School for Girls at the bluebird tag day drive here Saturday, July 28th. The girls will be given costume jewelry, umbrella, triangle scarf, bathing suit and a box of candy. The boys will be awarded tin-top watch, kodak, roller skates, ball and bat and a box of candy. The above prizes will be for the five highest in the drive and smaller articles will be given others participating in the selling of the tags.

## Educator From Kentucky is Feted Here

MR. AND MRS. VAN ZOEREN  
ELABORATELY ENTERTAIN  
OLD SCHOOL MATES

The beautiful home of Mr. and Mrs. John Van Zoeren, 78 West 15th street, was brilliantly illuminated Friday night, the occasion being the entertainment of old friends and school mates at Vriesland who in yesteryear gathered at the "old red school house" at that countryside.

The gathering was really in honor of Miss Ida Tanis who is principal of the Gray Hawk schools in the mountain districts of Kentucky, where the mountain children receive their education. Miss Tanis came from Vriesland and was one of these school mates and has done wonderful work as an educator in the "blue grass" state.

Anyway, Mr. and Mrs. Van Zoeren entertained elaborately and nothing was left undone to make this occasion a really memorable one. The third floor of the spacious home was cleared and a program of games was soon in progress that brought a riot of fun. Mr. Wm. Hieftje of Zeeland gave a monologue filled with rare humor. There were other entertaining features and a tuning in of the radio over KYW. Mr. Bert DeBoer of Chicago spoke a few words of appreciation as coming from the guests present, to the genial host and hostess, who know so well how to entertain. The party broke up long after the midnight hour—the echo of "Auld Lang Syne" and "Good Night Ladies" following the guests as they issued from a most hospitable home, from which visitors reluctantly departing, homeward bound.

The guests were: Mr. and Mrs. John Freilick, Mr. and Mrs. Peter De Hoop, Mr. and Mrs. Marinus Van Zoeren, Mr. and Mrs. Robert Tanis, Mr. and Mrs. J. G. J. Van Hoop, Mr. and Mrs. George De Hoop, Mr. and Mrs. Henry Roelofs, Mr. and Mrs. John G. Meunings, Mr. and Mrs. George De Hoop of Vriesland, Mr. and Mrs. Wm. Hieftje, Mr. and Mrs. Peter Brill, Mr. and Mrs. Henry Faber and Mrs. Wm. Bost of Zeeland; Miss Ida Tanis of Gray Hawk, Kentucky, Mr. and Mrs. Bert De Boer, Chicago, Mr. and Mrs. Edward Van Zoeren, Mr. and Mrs. Martin De Hoop, Mr. and Mrs. John Elzinga, Mr. and Mrs. Bert Klingerman and Mrs. John Smith of Grand Rapids; Mr. and Mrs. Ren Leestma, Mr. and Mrs. Eli Arnold, Mr. and Mrs. Charles De Boer and Mr. and Mrs. Simon De Boer of Holland.

## ROAD WORK PUTS FORMER HOLLAND FOLKS OUT OF BUSINESS

What is known in Fennville as the "What Not Inn," operated by J. Westveld at the junction of M 89 and US 31, is practically out of business for a month or until the paving on the first mile of M 89 is completed. Both roads are torn up and cars cannot get to the "What Not Inn" to do business. The building will have to be moved to give room for the enlarged intersection of these highways. It is rather unfortunate for Mr. Westveld, a former Holland man, for the resort trade is his harvest and the highway will not be completed much before the end of the season.

## FIRST HOLLAND ORGANIST SEES DEDICATION OF BIG ORGAN

Miss Hannah Te Roller, one of Holland's pioneer music teachers, was an interested spectator among the large audience that attended the organ recital Wednesday evening in Third Reformed church.

The recital was given by Prof. Alle D. Zuidema of Detroit a talented musician on the new \$15,000 organ just installed. Zuidema was a pupil of Miss Te Roller many years ago and she gave him his first lesson on a pipe organ in the church where the recital was held. Zuidema afterward took lessons from leading musicians and is recognized as one of the most accomplished players in the state.

Miss Te Roller also was the first organ player in the local church and for many years played the old organ that rendered service for 40 years.

## ZEELAND HENS HIGH UP IN EGG LAYING RACE

The egg laying contest at the Grandview Poultry farm of Zeeland is developing into a close race. At the beginning of the month the entry of white leghorn hens from the Hill Top Poultry farm near Zeeland was "running" neck-and-neck with the entry from the Avondale Poultry farm, Sylacauga, Ala. These hens were tied for first place. Second, third and fourth places in the contest now are held by out-of-state hens. Leghorns from Glen Gitchell's farm near Hudsonville, are in fifth place.

## PECULIAR ACCIDENT RESULTS BY FALL THROUGH GLASS DOOR

Arie Van Dyke had the misfortune of receiving a severe cut from broken glass in his left hand and forearm Monday noon, at his home on West Main street, Zeeland.

The accident occurred while Mr. Van Dyke, standing on a chair, was reaching into an upper half of a cupboard. For some unexplained reason the chair toppled over, throwing Mr. Van Dyke against a glass door, with the result already stated. The wound bled profusely, so he was rushed to the local hospital, where he was given aid. It required several stitches to close the wound.

## GOVERNOR GREEN TO DEDICATE OTTAWA CO. ROAD

Governor Fred W. Green and other state dignitaries will be in Ottawa county on Wednesday afternoon, August 29, to dedicate the new highway called M-50 from Grand Rapids, through Allendale to Lake Michigan via Agnew. It is being paved to the width of forty feet out of Grand Rapids, with twenty foot pavement to points west of Allendale and again widening to forty feet as it approaches Lake Michigan. There is to be an auto parade.

## Many Tourists Stop in Wonder When They Spy This Quaint Old Church

This imposing looking structure with its tremendous column possibly does not attract Holland folks to the same extent that it might tourists since the local citizens see the church so often that it has become an old story. But not so for strangers, for often tourists' cars are seen stopping in front of this colonial-looking edifice in order that the visitors may get a better view of it and not infrequently a tour of inspection is made of the church grounds.

A great deal has been written relative to Holland's first real church now owned by the Christian Reformed denomination. However, there is a unique feature to at least one of the stories having to do with the copper rooster that has been whirling about as a weather vane at the very peak of the church spire for more than 75 years. This rooster was made by Holland's first unsmith, namely the late E. Vander Veen, who later became the City's pioneer hardware dealer. The origin of this rooster is best told in the language of the old gentleman himself, who long before his death gave the editor of the Holland City News an interview on the eve of his birthday anniversary, that he published on April 1, 1915.

The interview as taken from the News files follows:

"In speaking of the earlier days in Holland, he told about the building of the Ninth Street Christian Reformed commonly known as the 'Church with the big pillars.' This church was built in the fall of 1854 and the steeple was put on in the spring of 1855. The finishing of this steeple was left to E. Vander Veen. It was agreed between the church authorities that the roof of the steeple should be covered with nice shiny tin, in order that it might cast forth a brilliant reflection when the sun shone upon it.

The girl had taken in considerable water and it took fifty minutes of resuscitation before she revived and was taken to her home.

## Big Show is to Advertise Our Ottawa Chicks

HOW JUDGES JUDGE POULTRY  
WILL BE SHOWN AT  
HOLLAND

Recent activities indicate that the poultrymen of Ottawa county are taking a more active interest in poultry affairs than for some years past. Probably the first interest to the public in general in the proposed poultry show-festival to be held on the fairgrounds at Holland, October 10, 11, 12, and 13. The organization of Ottawa county's Greater Poultry Association, which unites the poultrymen of Holland, Zeeland, and Grand Haven, is a most progressive move. Instead of three shows in the county as in past years, it makes possible one big show on such a scale as to attract state-wide interest. It is also bringing those interested in the industry into closer touch and enabling them to co-operate to the advantage of the industry in this section.

Evidence of this co-operation is immediately seen in the placing of the show early in October. This will enable hatcherymen to take a more active part and enter more of their birds. It will also draw exhibitors from other sections, enabling them to show here before the shows in other sections are under way.

Plans for the show-festival are well progressed. Edward Brower of Holland, secretary, and R. C. Jackson, president, also of this city, have been busy getting arrangements started. The premium list will soon be in the hands of the printers. This list will offer the finest array of silver trophies ever put up at a single event in this section, as well as cash prizes and ribbons. Nationally known judges are being engaged and several noted poultrymen will be here for lectures and demonstrations to those who attend.

A new feature in poultry shows and of great interest to visitors will be the ring plan of judging. A ring will be marked off surrounded by seats for a large crowd. The judges will do their work and make their selections in this ring so that all may see just how the winners are picked.

## BUILDING AND LOAN ASSOCIATION ELECT OFFICERS WEDNESDAY

The Building and Loan Association elected four directors namely Isaac Kouw, C. Van Zyl, Arthur Van Duren and William Brusse, and Abel Postma was elected to fill the vacancy caused by the death of R. H. Habermans at their meeting Wednesday evening.

These are listed as cash in the bank, \$4,701.92; accrued interest receivable, \$1,046.17; loans, \$111,224.71; land contracts, \$2,998.18 and furniture and fixtures \$242.50. Installment stock is listed at \$4,001.28; dividends stock, \$20,632.78; reserve fund, \$1,100.00; undivided profits, \$1,409.00 and current profits, the last item given being the profits from January to July, 1928.

## FROM SANDLOTS TO LINKS

When golf first invaded the United States the "sand lots" were filled with juvenile base ball players who hardly would waste the time from their games to deride the self-conscious golfers. But the business of caddyding attracted many of these youngsters from base ball, because it was highly lucrative, and the youngsters soon began to develop an interest in golf.

Gene Sarazen is an example of a golfer who might have been a base ball player if the occupation of the caddy had not been open to him.

Here is a thought that will increase the alarm of the base ball magnates. The fact that there are 8,000,000 golfers in the United States means that there are close to half a million boys who are caddyding rather than playing the national game. And this is cause for alarm, for it means not only that this material from which professional base ball players might be developed is being diverted from the national game but also it means a decrease in the number of base ball fans in the coming generation.

To be a base ball fan one must have played the game to some extent at some time or other. To anybody who has not played the game it is quite incomprehensible, just as incomprehensible as it would be to an Englishman or as incomprehensible as cricket is to the American.

Therefore it will be seen that the recent drives of base ball magnates to sustain the interest in the national game in the members of the younger generation are not altogether altruistic.

## Thousands See Spectacle at Macatawa

### HOLLAND MEN AID IN PUTTING VENETIAN EVENING OVER BIG

Capt. Austin Harrington and Charles Karr were the Holland men largely responsible for the great Venetian Evening success at the Holland resorts Saturday. The movement was started by the new Macatawa management, and from the standpoint of attractions, illuminations and the tremendous crowd was voted a great success.

There were more than 50 yachts of different kinds decorated with flags, pennants and colored lanterns, the sailing boats especially, being fitted with high mast, allowing for festooning.

The Goodrich steamers were also in port and with all lights going added to the attractiveness of the illumination. Whistle-blowing and note-making just before the opening of the parade, as usual, was one of the features. The fireworks were shot off on a scow anchored in mid-lake, so all could see from any angle on the long beach surrounding Macatawa Bay.

It was an ideal night for a water spectacle of this kind, and was well arranged by Capt. Harrington. The Lions Club of Holland also took a hand in this celebration feeling that not only the resorts being benefited but through the resorts, Holland would be benefited. This organization has taken an active part in many civic affairs. The three Holland bands, namely, The People's, Holland City and First State also donated very liberally toward this celebration.

The yacht parade was an unusually fine one and the fireworks closing the water show in the evening wound up with the display of Niagara Falls and the American Flag. A special feature of the program early in the evening was the singing of comic songs by a little girl in boots and Italian costume, as the "gondola" glided among the boats of the bay. The other occupants were dressed in Venetian style.

Surf boat riding was won by Paul Landwehr, for the men, and by Miss Estelle Lott of Grand Rapids, for the ladies. Class B and C were won by the boat Biz-V-L-I, and Dave Perkins won second in the former race. The "Norma," of Paul Landwehr of Holland won the 140 to 170 H. P. speed boat race with the second honors going to "Miss Josephine" owned by A. Biewer of Grand Rapids.

The sea scouts had a pulling race between the Fern and Sea Gull, with the Sea Gull in the lead. E. Herpoldheimer of Grand Rapids won first in the 90-110 H. P. class and Mr. J. Dregge came in second. The winner made almost 33 miles an hour.

The Columbia sailing boat, moving along in the procession by an outboard motor, won first prize for the best decorated yacht. It was dressed with pennants, lanterns and flags, and an electric sign working out the name of the boat in separate letters hanging between the masts.

Paul P. Harris motor launch of the Holland sea scouts received a round of applause as was the pulling boat, the Sea Gull for its colorful array of lanterns. Skipper Andrew Hyma was in charge of the former boat and Mate Charles Ash with the crew dressed in white uniforms had charge of the Sea Gull.

Mr. and Mrs. J. S. Dykstra and Miss K. DeGroot attended the second annual putting of the Kent county funeral directors at Clifford Lake northeast of Greenville Wednesday.

George Langhlin was in Lansing Tuesday on business.

## CHINA MISSIONARY TO RE-LATE HOLDUP BY BANDIT GANG

Completing arrangements for addresses for the mission fest to be held by Grand Rapids, Holland, and neighboring Reformed churches Aug. 2 at Franklin park, Grand Rapids, the executive committee has announced that Prof. Thomas F. Welmers of Hope College and Gerrit J. Diekema of Holland will be among the speakers. Mr. Diekema will speak at the evening session.

Among the five missionaries who will take part in the program is the Rev. Adam Westmaas, a native of Muskegon, who just before returning to America on furlough, was trapped and held prisoner by a group of Chinese bandits. After having robbed the missionary of nearly all valuables they were frightened into releasing him, partly through the misgivings of one of the bandits and also because of the threatening warnings of an old native, who overawed the robbers with an official-looking document from the time of the Boxer troubles. With the help of friendly natives Mr. Westmaas then was enabled to resume his long journey on foot through the mountainous country of southeastern China.

A new feature of the rally will be a young people's luncheon to be held in the grove at 6:15, at which the young men and women of the affiliated churches will listen to addresses by Rev. Bernard D. Hakken of Arabia and Rev. John TerBorg of Japan.

## CORN BORER LAW IS UPHOLD BY DECISION OF CIRCUIT JUDGE

The constitutionality of Michigan's corn borer law was upheld today by Circuit Judge J. N. Sampson in a decision in a test suit brought by William Gassner and Henry de Junie, Macon township farmers.

Judge Sampson denied the contention of the plaintiffs that the state legislature was without power to delegate authority to the state commission of agriculture to make regulations for corn borer tests.

The court held that the corn borer constitutes a menace to the food supply of the state and that it therefore comes within the police powers of the state to take regulatory steps.

Mr. and Mrs. Roelof Sietsema of  
Pearline was instantly killed Sat-  
urday night a half mile east of  
Allendale Center where M-50 is un-  
der construction.

With chums he was coasting  
down hill on a car belonging to the  
construction gang, when the car  
behind the one on which he was  
riding bumped into his, threw him  
off across the track and ran over  
his head. He died instantly.

Coroner Gilbert Van De Water  
was called and decided no inquest  
was necessary, as death was ac-  
cidental. He ordered the body sent  
to John Wolbrink & Son's funeral  
home at Allendale Center.

With Roy at the time were Al-  
bertus, Harold and Clarence Kra-  
ker, John and Simon Alderink, Wil-  
liam Koster, Donald Lemmen, Law-  
rence and Harold Drast and John  
Van Stronsen. The lads had been  
warned not to play with the con-  
struction cars, it is said.

Besides the parents, five sisters  
and two brothers survive. The  
family lives two and one-half miles  
east of Allendale Center.

### A PLAN THAT FAILED

Detroit Free Press—The prompt  
refusal of Dr. Angus McLean, of  
Detroit, to permit his name to be  
enmeshed in a political scheme with  
which he could have no sympathy,  
and the object of which was to run  
him as a candidate for the United  
States senatorship on the Repub-  
lican ticket, in opposition to the  
candidacy of Senator Arthur H.  
Vanderberg, was a thoroughly com-  
mendable step.

Dr. McLean is a man of unblem-  
ished reputation in the civic and  
professional life of his community.  
The would-be candidate-makers,  
in setting out to hamper the Vanden-  
berg candidacy, failed to take ac-  
count of the character of the man  
whom they were about to implicate  
in their game. In repudiating the  
entire maneuver, Dr. McLean not  
only administered a deserved re-  
buke to those who had dragged his  
name into their conspiracy—he also  
gave the public further proof of his  
high sense of what is decent and  
what indecent in public life. Even  
if there had been any sign of a  
public demand for Dr. McLean's  
candidacy, he could scarcely have  
accepted under the banners of the  
Republican party and in opposition  
to an acknowledged and life-long  
Republican like Senator Vanden-  
berg. So far as we know, the De-  
troit physician never has professed  
anything but the Democratic faith,  
and he has said nothing as yet to  
indicate that he has changed or in-  
tends to relinquish that allegiance.

Those who started the McLean  
"boom," which died a-borning,  
merely made themselves ridiculous.

Born to Mr. and Mrs. Harry  
Volkers, a daughter, July 21st.

Dr. and Mrs. O. Vander Velde  
spent the past week end in Mil-  
waukee, Wis.

Lester Miller and daughter Joan  
of Port Huron are guests at the  
home of Mr. and Mrs. C. B. Hop-  
kins.

Mrs. Charles H. McBride of Holland is general chairman of the  
Women's Lincoln Republican club at the Warm Friend tavern, Holland. Hon.  
Robert M. Work of Monmouth, Ill., will be the speaker, and the assistant  
chairmen include Mesdames Gerrit J. Diekema, John Bosman, W. J.  
Olive, C. M. McLean and S. R. McLean.

### Auto Strikes Ottawa County Farm Wagon

GRAND HAVEN TOWNSHIP  
FARMER INJURED; RECK-  
LESS DRIVING WARRANT

A bad accident occurred on US-  
31 two miles beyond Grand Haven  
limits when Ferdinand Groth, 19,  
living in Grand Haven township,  
was thrown from his wagon and  
rendered unconscious, as a big car  
driven by Anthony Kroatits of Chi-  
cago crashed into the rear of the  
horse drawn vehicle. He was rushed  
to Hattson Hospital by a passing  
motorist, where it was found  
he had a badly sprained arm with  
possible internal injuries.

According to Groth's statement,  
he had just entered the state high-  
way from the gravel road that in-  
tersects US-31 at the stone school,  
near Agnew, when Kroatits round-  
ed the sharp turn at high speed  
and crashed into him. The horses  
were cut and badly frightened and  
the wagon was demolished. The  
automobile was damaged but the  
occupants, Kroatits, his wife and  
child, were unhurt.

William Groth, the father of the  
boy, swore out a warrant for  
Kroatits charging reckless driving.  
The Chicago man failed to notify  
the police of the accident and the  
officers are trying to locate the  
man, who was supposed to have  
gone north.

Groth was discharged from the  
hospital and taken to his home to-  
day.

The Grand Rapids Herald places  
Peter Lieveson of Holland in its  
prize winner class for July. A cut  
of Peter holding a large pike is  
also shown. Underneath, the Herald  
prints the following: "Real Tussle  
— When Peter A. Lieveson of Hol-  
land hooked this Northern Pike he  
had a battle on his hands, for he  
had neither gaff hook nor net.

### POLITICS AND MARRIAGE GO HAND IN HAND

Attorney Gordon Van Eenennaam  
of Muskegon, candidate for state  
senator on the Republican ticket,  
was in Holland fixing his political

fences Monday. Van formerly lived  
in Zeeland and, by the way, he is  
soon to wed one of the Zeeland  
belles in the person of Miss Isla  
Pruim, a Hope college graduate  
and an accomplished musical artist.

Dr. and Mrs. M. J. Cook left  
Monday for a two-week vacation.  
Mr. and Mrs. Phil Brooks drove  
to Columbus, Ohio Tuesday.

Hendrik Hagenbeck, famous Ger-  
man circus man, a member of the  
firm of Hagenbeck Brothers, of  
Hamburg, Germany was a guest  
of George F. Getz at Lakewood  
Farm on Sunday. Mr. Hagenbeck  
supplies some of the biggest zoos  
for the country and was attracted  
by the Lakewood Farm collections. He  
will show some of his own animals  
at the World's Fair which will be  
held in 1933 in Chicago.

### FORMER HOLLAND BOY TRAVELLING EUROPE

The Christian Endeavor World,  
one of the largest religious papers  
in the country, is picturing John  
Hoffman, Jr., of Milwaukee, Wis.,  
as first prize winner in a subscrip-  
tion campaign just closed by this  
paper, in the state of Wisconsin.

This entitles the winner to a  
trip from his home city via New  
York to Europe and back, with all  
travelling expenses paid. It doesn't  
cost the former Holland man one  
dime and he is now on the way,  
visiting the different places of in-  
terest in England, Ireland, Neth-  
erlands, France and the other coun-  
tries popular with tourists.

Mr. Hoffman is the son of Mr.  
and Mrs. John Hoffman, who for  
several years conducted a restaur-  
ant in the city, later moving to  
Milwaukee.

### BIG MICHIGAN FISH CAUGHT

The biggest fish to be caught in  
Anchor Bay this year fell to the  
hook and line of a nine-year-old  
fisherman, Virginia Schaefer, of  
Cincinnati. The fish was a 56½-  
pound sturgeon, landed after a 20-  
minute fight. The sturgeon was  
44½ inches long. Virginia turned  
over her fish pole to elders when  
she felt the heavy tug.

Alfred Samuelson and Gilbert  
Carlson landed a 30-pound muskel-  
lunge 45½ inches in length after  
a battle of an hour. The fish was  
caught in Manistee Lake with a  
spoon hook and a 10-ounce test  
line. The boys got five pike aver-  
aging three pounds.

A 10-pound 6-ounce pike was  
caught in Black Lake on a Skinner  
spoon by Peter Lieveson, of Hol-  
land, who reports that Black Lake  
has its share of these famous fight-  
ing fish.

Zeeland Legionnaires are good  
fishermen. A catch of fish, totaling  
about 80 pounds, was caught by 14  
members of the Gilbert D. Karsten  
post at a picnic at Six-mile lake,  
near Ellsworth, early in July.  
There was fish enough to feed 79  
members of the post. The prize  
fish, a pike weighing 16½ pounds,  
was taken by John Veneklasen.

### NINE YEAR OLD PICKERS BIG 8 3-4 LB. CUCKEREL

Fred Nielsen received word Wed-  
nesday that his nine-year-old son,  
"Buddy," had caught a 8¾ pound  
cuckered in Paw Paw river near  
Watervliet. The lad was near shal-  
low water and noticed the big fish.  
He took the butt of the gun he was  
carrying and succeeded in killing  
it. It is hard to tell which enjoyed  
the "fish story" more, father or  
son.

### LOCAL PASTOR APPOINTED ON COMMITTEE BY SYNOD

Rev. James M. Martin, pastor of  
the Third Reformed church of Hol-  
land and Rev. John A. Dykstra of  
Central Reformed church, Grand  
Rapids were appointed on a com-  
mittee by the last general synod  
held in New York, as announced  
now by M. J. MacLeod, president  
of the synod. It will be their duty  
to study the possibilities of Chris-  
tian union, and to report at the 1929  
synod of the Reformed Church in  
America, to convene in Holland in  
June. The program committee for  
next synod has been instructed to  
provide time for full and free dis-  
cussion of the subject at its next  
session in this city.

### LAKEWOOD FARM WOMAN HONORED

of the new senator who spends a  
large part of the year at Lakewood

Alumnae Council of the University  
of Michigan League, succeeding  
Mrs. Shirley Smith, Ann Arbor,  
who was unable because of illness  
to carry on the duties of the po-  
sition which she has held for three  
years. Mrs. Vandenberg was a mem-  
ber of the alumnae board, has been  
instrumental in raising funds for  
the University of Michigan League  
building which now is under con-  
struction on the campus, and which  
may be completed by next June.

university in the department of  
philosophy.

ing included Mr. and Mrs. Guy Hip-  
ple, of Lockwood, Ohio, Mr. and

### Twenty-Four Years Prison Handed Down

THAT'S AGGREGATE OF OT-  
TAWA COUNTY PENALTIES;  
MANY MORE IN JAIL

Prosecutor Clarence A. Lokker of  
Holland brought 218 actions for  
the people the first six months with  
202 convictions, 14 dismissal on  
payment of costs, another dismissal  
on examination and one case for  
the people nolle prossed.

His semi-annual report to the at-  
torney general shows jail sen-  
tences aggregating 24 years and  
three months in state institutions.  
These included one five-year  
stretch, three three-year terms, the  
two two-year sentences, a couple  
of one-year penalties, one for nine  
months and seven who will be away  
six months.

In addition to the convicts, many  
drew county jail terms. There were  
four to get 30-day vacations, five  
in the 60-day class, eight resting  
for 30 days, two penalized 15 days,  
four who did ten days and one five-  
day imprisonment.

Fines aggregated \$2,955.95 with  
costs of substantial amount and  
several probationary terms.

The severest penalty, five years,  
was for gross indecency, the Mus-  
kegon kidnapper. Forgery and two  
breaking and entering cases re-  
sulted in three-year sentences. The  
two two-year terms were for  
breaking and entering. Car theft  
and adultery were the offences  
drawing a year each in state in-  
stitutions.

The number of various offenses  
prosecuted follows: adultery, 1;  
assault and battery, 8; breaking  
and entering, 5; carrying firearms  
in game areas, 4; desertion, 1; dis-  
orderly, 21; drunk, 18; embezzle-  
ment, 1; forgery, 3; gaming, 1;  
game and fish law violations, 6;  
gross indecency, 1; indecent ex-  
posure, 1; indecent language, 6;  
larceny, 12; liquor law, 10; motor  
law, 112; perjury, 1; truancy, 1;  
unlawful use of cars, 2; food and  
drug violations, 3. Surely a good  
record for Ottawa's Prosecutor  
and his assistant attorney, Jay Den  
Herder.

GEO. GETZ

The Chicago paper in special de-  
spatches have spoken of Geo. Getz  
as the coming Chicago mayor. That  
the Holland-Chicago man would  
make a "bang-up" chief executive  
there is no doubt. His past record  
as an organizer bears that out, but  
George says, "Nothing doing." He  
denies that there was any basis for  
the report and intimated that the  
report could not be denied too  
strongly.

### CONTRACTOR DYKE BUILDING ADDITION RUSK CO. PLANT

The Frank Dyke company is con-  
structing a new two-story addition  
to the Holland Rusk company which  
will considerably increase the ca-  
pacity of the plant. The building is  
located just to the east of the  
present plant facing 9th street. The  
addition measures 109 by 40 feet  
and is of mill construction except  
where the eaves will be, which is  
being made of reinforced concrete.  
New eaves will be installed and  
other machinery to increase pro-  
duction. The building is to be finished  
October 1st. A force of about 15  
men is working on the building and  
as soon as the concrete is poured  
this will be increased to several  
more. The front of the building  
facing 9th street will be finished  
with face brick. The space between  
the new addition and 8th street  
has been cleared of the tow old  
buildings which formerly stood  
there, one of which was the original  
home of the Rusk company. It is  
planned eventually to build this up  
with an addition to the factory.

### PREPARATORY SCHOOL CHANGED TO HOPE HIGH

Hope Preparatory School has  
been renamed Hope High School  
which name will be used when  
school opens in September. Hope's  
pioneer school was opened in 1851  
and with the graduation of the first  
class in 1854 its name was changed  
to Holland academy. It later be-  
came known as Hope Preparatory  
school. The plan has been evolved  
to provide free tuition for at least  
100 pupils and to provide the very  
best corps of teachers. The way  
also will be opened for seniors to  
engage in teaching classes under  
supervision of the faculty to enable  
them to obtain state teachers cer-  
tificates upon graduation as re-  
quired by the new state law.

Another school of the Reformed  
church will go under a new name  
the coming school term. Hereafter  
the Northwestern Classical Aca-  
demy at Orange City, Iowa will be  
known as Northwestern Junior  
College and Academy, with Rev.  
Jacob Heemstra as the first pres-  
ident. Mr. Heemstra has been a  
member of the faculty at Central  
College, Pella, Ia., for 10 years.

### TWO-INCH NAIL IN BOY'S STOMACH "NOT DANGEROUS"

What's a matter of a two and a half inch nail in the stomach? Especially if that nail is to be confined to the stomach of a strong two-year-old boy.

Such was the opinion of doctors at a Winnipeg hospital after viewing X-ray pictures of Robert Chandler, son of Mr. and Mrs. William Chandler, St. James, a suburb of Winnipeg, who, while playing in the back yard of his home, swallowed the nail. Doctors, after carefully examining the position of the nail by X-ray, decided that it was not dangerous, and that an operation was not necessary.

### Lesson for July 29

#### THE FIRST FOREIGN MISSIONARIES

LESSON TEXT—Acts 13:1-52  
GOLDEN TEXT—Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always, even unto the end of the world.  
PRIMARY TOPIC—Paul and His Friends Go to Tell Others About Jesus.

JUNIOR TOPIC—Paul and Barnabas Sent as Missionaries.  
INTERMEDIATE AND SENIOR TOPIC—How Paul Found His Life Work.

YOUNG PEOPLE AND ADULT TOPIC—The Holy Spirit in Missions.

This lesson marks the beginning of foreign missions as the deliberately planned enterprise of the church. The occasion for the beginning of this work was a meeting of certain prophets and teachers at Antioch. While these ministers were engaged in praying the Lord laid upon their hearts so heavily the evangelization of the world that they refrained from eating in order to seek the will of the Lord in prayer. This is the kind of fasting that meets God's approval.

I. Barnabas and Saul Sent Forth (vv. 1-3).

The Spirit directed the church to send forth Barnabas and Saul to the work whereunto He had called them. The Spirit called and the church seconded the motion by sending those who were Spirit-ruled. A real call to missionary service comes from the Holy Spirit.

It should be the concern of the church to constantly seek the mind of the Spirit relative to the sending forth of laborers into the Lord's vineyard. It is to be noted that the Spirit called and the church sent the very best men from their company at Antioch. This is as it should be. Success in the mission field is dependent upon the laying of her best men and women upon the altar by the church.

II. Barnabas and Saul Preaching the Word of God in Cyprus (vv. 4-5).

After a second season of prayer and fasting the church formally ordained these first foreign missionaries for their work. Ordination by the imposition of hands has its proper place. Cyprus being the home of Barnabas perhaps accounts for their first going to this country. It is most natural that those who have heard the good news should go first to their kindred and friends. Then, too, Barnabas was acquainted with the country and people and could thus be assured of a proper hearing among them. Andrew first went to his brother, and the man out of whom the demons were cast was commanded by Christ to go home and tell what great things the Lord had done for him (Luke 9:38).

III. Barnabas and Saul Withstood by Elymas, the Sorcerer (vv. 6-12).

Serpius Paulus, the deputy, invited Barnabas and Saul to tell him of the Word of God. Elymas maliciously sought to turn the deputy's mind from the faith. This first obstacle encountered, as the gospel was being carried to the heathen world, was overcome through the power of the Holy Spirit. Paul denounced Elymas in most scathing terms, calling him the child of the devil, declaring that he was full of guile and villainy, pronouncing him the enemy of all righteousness, and accusing him of perverting the right ways of the Lord.

IV. Paul and Barnabas in the Synagogue at Antioch in Pisidia (vv. 13-19).

From Ephesus Paul and Barnabas with Mark went northward to Perga. It is from this place, perhaps because of hardship, that Mark went back. He started out with good intentions, but the trials seemed too great for him to endure. Mark redeemed himself later, though when they started on their second missionary journey Paul would not consent for Mark to accompany them, although he later testified in Mark's favor (II Tim. 4:11). From Perga they went to Antioch in Pisidia and entered the synagogue on the Sabbath day. While he was the apostle to the Gentiles he began with the Jews. After the usual reading of the Scriptures, in response to the invitation of the rulers, Paul delivered his first recorded sermon. This sermon is worthy of careful study. When analyzed we find it had four parts. 1. Historical (vv. 17-23). 2. Political (vv. 24-27). 3. Doctrinal (vv. 28, 39). 4. Practical (vv. 40, 41).

The effect of this sermon was that many Jews and proselytes requested to hear these words again. Almost the whole city came to hear the Word of God the next Sabbath. While many came to hear these words jealousy provoked open opposition.

### AIRPORT IS LOCATED AT GRAND HAVEN

Grand Haven will have an airport immediately located near Grand river where there are 83 acres, ideal for either hydroplane or airplane hangars. The city council authorized leasing the property for 10 years with the harbor commission to have jurisdiction over it.

### SUE TO RECOVER ON ALLEGAN CO. FARM

Suit for \$2,000 has been started in Allegan county circuit court by Stanley and Agnes Adams vs. Geo. B. and Maggie Dalrymple and David H. and Lottie King. Plaintiffs claim that a farm sold them by King for the Dalrymples in Casco township was misrepresented, and an exorbitant price charged for the land.

Adams bought the farm on a contract, supposing the amount to be \$3,800 and upon reading the contract after signing it they claim the price charged is \$4,000. They claim the value of the land is \$1500. Labor and putting in of crops is claimed to have lost plaintiffs about \$900.

The plane from Kalamazoo demonstrated for the Szekely Company last week.

### NOTICE OF PENDENCY OF PETITION TO DISCONTINUE A HIGHWAY ADJACENT TO LAKE MICHIGAN

To Whom It May Concern: Notice is hereby given that a petition has been filed with the Clerk of Circuit Court of the County of Ottawa by George F. Getz and others praying for permission to discontinue a highway adjacent to Lake Michigan in Park Township, Ottawa County, Michigan, described as follows:

"All that part of the highway known as Lakewood Boulevard located on the East and West Quarter lines of Section 21, Town 5, North Range 15 West, lying west of the West line of a highway known as the Tennessee Beach Road located on the North and South Quarter line of said Section 21."

and that an application founded upon said petition will be made to said Court on the 13th day of August, 1928, at five o'clock in the afternoon of that day, at the Court House in the City of Grand Haven in said county of Ottawa, for an order permitting the discontinuance of said highway hereinafter described at which time any person may appear and oppose the same.

The reasons for the discontinuance of said highway are that it is a dead end highway and has no use except for park and parking purposes, for which it is too narrow and furthermore it is a dangerous place because of many children crossing same with live zoo adjacent thereto.

## OTTAWA COUNTY FARM NOTES

By C. P. Milham.

On August 10th, Ottawa County raspberry growers will have an opportunity to attend meeting for the purpose of learning about raspberry diseases, identification and control. Mr. Hootman from the College will conduct three meetings that day. Any community or individual wishing to have a demonstration meeting should arrange with agricultural agent Milham.

Mr. Wells and Mr. Hootman from the College conducted fifty-five fruit growers through the Graham Horticultural Station on Ottawa County day. Much interest was shown in the results of spraying demonstrations on cherries to prevent leaf spot and the caged cherry tree to see the result of preventing bees from pollinating the bloom. The gridding experiments to force early bearing of Northern Spies proved that this can be accomplished. Pruning and thinning work on apples and peaches, and soil and clear culture method of growing trees showed striking results. Fruit growers were interested also in the variety demonstrations of grapes, currants and raspberries.

The ladies spent most of their time visiting the arboretum where climbing roses and other shrubs were in full bloom.

Fruit growers who attended voted to make Ottawa Day an annual affair at the station.
